EASY-TO-MAKE...

PAPER PLATE RANGOLI

A colourful
Rangoli
decoration
for Diwali

You will need:

- Paper plate
- Glitter shapes or mosaic shapes
- Yarn or ribbon to hang the decoration (optional)

Other things you'll need:

- Glue and scissors
- Hole punch or Blu-Tack

How to make it:

- 1 Begin by arranging the glitter shapes or mosaic shapes on the table in front of you to roughly plan out your design. Alternatively, dive straight in and begin gluing the shapes to the plate in a circular pattern. Start in the middle and work outwards.

TOP TIP: mix up the colours and shapes to make a more interesting pattern.

- 2 When the glue is dry, Blu-Tack the decoration to the wall. Alternatively, punch a hole and tie on some yarn to hang it up somewhere it can catch the light.
