

PAINTED ICE-LOLLY BOOKMARKS

1

Get set for a summer of reading with these cool bookmarks!

You will need:

- Watercolour paints and brushes
- Water pot
- Watercolour paper or other stiff paper or card
- Lolly sticks

Other things you'll need:

- Glue
- Scissors
- Pencil

How to make it:

- 1 Take the watercolour paper or stiff paper/card sheet you're using. Use a pencil to draw an ice lolly shape. Make the shape approximately 10-15cm in length so that it will easily fit into a book.
- 2 Colour in the shape you've drawn with watercolour paints. Try experimenting with different colours and allow the colours to merge into each other for an interesting effect. Set aside to dry.
- 3 When the paint is dry, cut out the shape.
- 4 Glue a lolly stick to the back of the painted shape and allow to dry. Now your bookmark is ready for a summer of reading!
